Call for papers

We cordially invite international and national asset management professionals to the 2023 Annual Southern African Asset Management Association (SAAMA2023) Conference

SAAMA 2023 gives industry, government and academia the opportunity to showcase the latest case studies, practice and research.

The SAAMA Conference will take place 07 – 08 June 2023.

Delegates will benefit from networking opportunities to exchange ideas, gain insight from peers and engage with the most up-to-date thinking in asset management.

Besides these personal growth opportunities, delegates will earn CPD points for attending the conference.

Core topics

The following topic areas are of particular interest for SAAMA2023:

- 1 Improving the adoption of AM system
- 2 Leading AM (Strategy & Technology Maturity)
- 3 Continuous Improvement of AM and Operational Excellence in AM
- 4 Maintenance Practices supporting Effective AM
- 5 AM supporting sustainability and combating climate change

Submission Procedure

Abstracts are invited for both the FULL RESEARCH PAPER and PRESENTATION tracks. Academic and industry submissions are encouraged for both tracks. Once the abstracts have been accepted, authors can submit a full paper or a presentation only. All full papers will be subjected to a double-blind peer review process per the Department of Higher Education and Training requirements. Peer-reviewed papers will be published in the conference proceedings, earning publication credits.

Kindly note that the conference's official language is English and that author(s) of accepted papers will present Physically or Virtually.

The author agrees to present their accepted paper or presentation as scheduled in the conference programme. If the author cannot participate, they agree to arrange for a suitable replacement (colleague/ co-authors) to present on their behalf. They will notify the SAAMA organisers at least 30 days before the conference starts.

Copyright policy: Accepted papers will be published electronically and online as part of the conference proceedings.
